

LOCKBOX

ELIMINATE PROCESSING PAPER CHECKS MANUALLY

Lockbox eliminates the manual process of checks received by mail and trips to the bank to make deposits. Customer payments are directed to a designated post office box where they are collected, processed and deposited to your business deposit account. To use Lockbox you must be enrolled in Online Banking.

Strengthen Cash Flow

Build cash balances quicker with same-day check processing.

Optimize Business Resources

Save time and reduce administrative expenses associated with incoming mail, check handling and trips to the bank.

Built-in Security and Accuracy

Avoid errors associated with manual processing of payments and potential fraud or theft attempts.

Faster Access to Payments

Reduce mail float with a centralized post office box to collect incoming checks from customers.

Online Managerial Reporting

View digital images of checks and deposit activity in real-time, and generate reports to manage receivables.

Reporting

- View reports online
- Download in PDF and Excel formats
- Access up to two years transaction history
