

MERCHANT SERVICES

ACCEPT PAYMENTS FROM ANYWHERE YOU CAN DO BUSINESS

Merchant Services adds the convenience for customers to pay with a credit card, debit card or mobile device. Expanded capabilities include a web-based billing solution that emails invoices to customers for payment.

All Major Cards and Mobile Payments

Easily and securely process cards with magstripe, chip or contactless, and accommodates digital wallet payments, like Apple Pay® and Google Pay™.

Faster Access to Funds

Funds from transactions are posted to your Ocean Bank checking accounts as soon as the next business day.

Advanced Security Protection

Protect customer numbers and other information with the latest screening technology.

Simplified Smart Terminals

All-in-one terminals are equipped with a built-in printer, billing and invoicing, signature and PIN touchscreens, and Wi-Fi. Handled models available.

24/7 Support Team

Get help and answers to your questions from a specialized team available any day and time.

Online Managerial Reporting

View transactions in real-time, and generate reports to analyze sales and cash flow, and to easily report sales tax.
